

**CURSO:** ENGLISH K-12 - INTERMEDIATE MID - COURSE 2

**MODALIDAD:** ONLINE

**DESCRIPTION:**

Este curso está diseñado para alentar a los estudiantes adolescentes de inglés a explorar el idioma en una amplia gama de contextos con el fin de desarrollar una mejor comprensión del mismo. El curso está diseñado en torno a las directrices del Marco Común Europeo de Referencia para las Lenguas (MCER) para los descriptores de nivel A2-B1, y se basa en la variante norteamericana del inglés.

El curso tiene como objetivo mejorar las habilidades clave del aprendizaje del idioma inglés: hablar, escuchar, leer y escribir (y sus subhabilidades), al tiempo que aborda los resultados del aprendizaje relacionados con la educación personal y social en cada unidad.

**Estructura del curso**

El nivel consta de un total de seis unidades divididas en dos cursos (Unidades 1-3 y 4-6).

En este segundo curso veremos las unidades de la 4 a la 6

La primera unidad del curso sirve para revisar / actualizar algunos de los contenidos que pueden haber sido cubiertos en años / cursos anteriores.

Cada unidad presta su nombre a una cita famosa (generalmente de una figura importante o histórica, como escritores, políticos, filósofos, etc.). La primera lección de cada unidad presenta la cita y proporciona información básica sobre su autor, con el objetivo de animar a los alumnos a considerar el significado de la cita y los temas que trata.

Las lecciones principales que componen cada unidad se enfocan en una función discreta, tema gramatical, conjunto léxico o una combinación de estos. Los temas y las subhabilidades cubiertos se denominan objetivos y el alumno tiene la capacidad de ver una explicación del objetivo (a menudo con ejemplos), así como la opción de completar ejercicios de práctica sobre el tema.

Se utiliza una amplia variedad de ejercicios para presentar el idioma de destino; videos, animaciones, textos y diálogos, búsquedas de palabras, crucigramas, situaciones típicas, tarjetas de memoria flash, etc. para proporcionar un contexto estimulante, interactivo y auténtico para el aprendizaje de idiomas. En la mayoría de los casos, se solicita al alumno que practique y produzca el idioma de destino durante la misma lección.

Las habilidades productivas se evalúan al final de cada unidad en tareas de expresión oral y escrita diseñadas para que el alumno produzca y personalice el idioma de destino a medida que avanza el curso. También hay una pequeña prueba al final de cada unidad.

## CONTENIDO:

### Unit 4: One good anecdote is worth a volume of biography

1. Famous quotes: William Ellery Channing  
In this lesson:  
Listening and reading
2. Why did the computer go to the doctor?  
In this lesson:  
Grammar: To + Infinitive / For to express purpose
